

# THE AUTOMOBILE SHOW

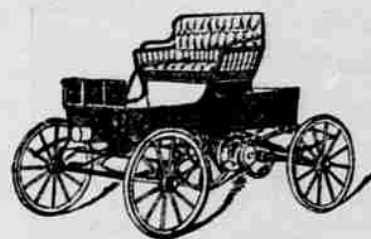

ALL THIS WEEK AT THE  
Washington Light Infantry Armory,  
15th Street, Just South of Pa. Ave.  
OPENS AT 8 O'CLOCK MONDAY EVENING.

We Shall Exhibit Two Leading  
Types of Automobiles.

THE "WAVERLY" ELECTRIC.  
THE "TOLEDO" STEAM CARRIAGE.

"Waverly" Automobiles  
are easily at the head of their  
class for electrical vehicles.  
To see the "Waverly" is to  
be charmed with its graceful  
lines, its "ready at the touch"  
accessibility, and its swift  
and noiseless running.

The "Toledo" Steam Carriage.

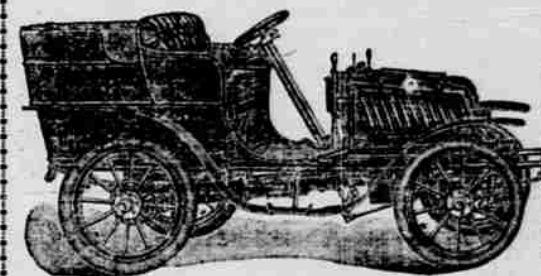

A careful investigation of this magnificent steam ve-  
hicle will justify its fame, which is based upon its great ra-  
dius of action, its immense power and economy, and its  
superb and dignified construction throughout.
